S. NARAYANA RAO,
For Sanitary Commissioner, Government of Mysore.

DEPARTMENT OF AGRICULTURE, MYSORE.

Notice.

It has happened sometimes that a prospective purchaser has come to buy a large sugar cane mill for example, a few days before he expects to start milling operations and has gone away disappointed as the depot had none in stock at the time. As obviously, it is not possible to stock implements in any quantity except ploughs and one or two other ordinary things for which a steady demand is known to exist, reasonable time should always be allowed. It is therefore requested that persons who desire to go in for improved agricultural implements other than ploughs and shares, will place their orders at least three months before they wish to use them. Orders may be sent either direct to the Department of Agriculture or through the Amildars of taluks.
